**APPELLANT CHRIS KOSACHUK'S EXPEDITED *PRO SE* MOTION
TO REGISTER AS ECF USER IN THIS COURT**

The Motion is filed on an expedited basis because of this Court's Scheduling Order [ECF No. 7] which requires the Appellant to file his brief by July 13, 2022. In order to comply with the Scheduling Order, Appellant seeks expedited relief by July 11, 2022 so that the Clerk will have at least two days to enable the ECF access. Pursuant to Administrative Order 2021-10, the United States Bankruptcy Court for the Southern District of Florida allows *pro se* filers such as Appellant to email the bankruptcy clerk a PDF of the document to be filed and the clerk in turn files the document electronically to the docket on the same day. Undersigned just learned yesterday that the District Court does not have such an administrative order and thus Appellant seeks electronic access to timely file his brief so as to avoid unnecessary paper filing and paper service.

Appellant Chris Kosachuk ("Kosachuk"), *pro se*, files this Expedited Motion to Register as ECF User in this Court (the "Motion"), pursuant to Local Rules 5(b) and 7.1(d)(2) avers the following:

That I am the *pro se* Appellant in this appeal.

That I consent to the Court and opposing counsel using my email address, as listed below,

for the purpose of sending me electronic notification of orders, notices, and other documents that are filed in my case. I understand that hard (paper) copies will no longer be sent by the Court or opposing counsel. By consenting to electronic notice, I understand that I am responsible for maintaining a current email address with the Court.

That I have provided and will maintain a current email address and mailing address with the Court. I will file a Notice of Change of Address Form conventionally (i.e., mail or in person) immediately if my email or mailing address changes while the above case is pending.

That I am responsible for maintaining an email account sufficient to receive notifications, on a daily basis, from the Court and opposing counsel. I also understand that electronic mail filter software (SPAM filters) may interfere with my receipt of email notifications and will ensure that any such software installed on my computer or network will not filter out messages from cmefautosender@flsd.uscourts.gov.

That I am responsible for managing my email account and am responsible for others who may have access to my email account.

That I have already registered for a Next Generation PACER account (Public Access to Court Electronic Records).

That I understand that when documents are entered in CM/ECF, a Notice of Electronic Filing (NEF) will be sent to my email address, which will contain a hyperlink to the document in PACER. I also understand that pursuant to PACER's policy, I will be allowed one "free look" at the document and that it is recommended that I print or download the document at that time because after the one "free look", normal PACER fees will apply. I also understand that the hyperlink to access the document will expire after I first access the document or after 15 days, whichever comes first.

That I am responsible for maintaining my PACER account while the above case is pending, including any incurred fees.

That I understand and will comply with the following computer hardware and software requirements necessary to receive electronic notices via the CM/ECF system: Windows or Macintosh operating system; Javascript enabled browser; and Internet Explorer or Firefox browser supported by CM/ECF. I also understand that high speed internet access is strongly recommended over dial-up internet service, which will reduce the amount of time to download lengthy documents.

That I fully understand that receiving of Notices of Electronic Filings (NEF) is a privilege, not a right, and may be rescinded by the Court at any time, without notice, at which time notices will be provided via the U.S mail.

That I have my own laptop computer, with high speed internet access. I am computer literate with the requisite skills and computer software to file and receive documents using the ECF system.

That I have already taken the required training courses in order to electronically file documents in the United States District Court for the Southern District of New York, know how to file documents electronically using the Next Generation Pacer System and am currently authorized to electronically file documents in the United States District Court for the Southern District of New York.

That I opposed the attorneys of record for Appellee and David W. Langley immediately objected to the Motion without explanation.

That attached hereto as Exhibit 1 is my proposed order granting the Motion.

Wherefore, the undersigned hereby agrees to the above conditions and hereby motions

to register as an E-File User in this Court, pursuant to Local Rule 5(b) and elects to electronically receive Notices of Electronic Filing (NEF) to the email address listed below while any matter is pending before this Court.
